PROFESSIONAL EXPERIENCE

UI Designer / UI Developer Sep 2019 – May 2026 Ousian Solutions Inc. (formerly Caspo Inc.) - BGC, Taguig City

- Led UI/UX design for HRIS modules, internal systems, and enterprise web applications across multiple business functions.
- Created user flows, wireframes, prototypes, and high-fidelity designs aligned with business and user requirements.
- Collaborated with business analysts, stakeholders, and development teams throughout the design and implementation process.
- Delivered developer-ready designs and supported UI implementation within .NET and SharePoint environments.
- Improved usability, visual consistency, and user experience across dashboards, forms, and workflow-driven applications.

UI/UX Designer (Freelance) May 2019 – Present

Selected Clients:
DevPros - Makati City (Sep 2024 – Present)
Global BrainForce - Makati City (May 2019 – Dec 2024)

- Designed the Attention restaurant ordering mobile application.
- Redesigned and maintained corporate websites for multiple organizations.
- Created product catalog and corporate website experiences, including Seas of Solutions.
- Designed SharePoint Modern pages and supported website modernization initiatives.
- Collaborated with stakeholders and development teams to improve usability and responsive experiences.

Sr. Web Designer Sep 2017 - May 2019 EMAPTA - Makati City (Client: Spotzer Media)

- Designed and built responsive websites for small and medium-sized businesses across Europe, the US, and Australia.
- Customized website layouts and content based on client branding, business goals, and functional requirements.
- Reviewed and optimized websites to ensure quality, usability, responsiveness, and brand consistency.
- Collaborated with project managers, content teams, and stakeholders to deliver effective digital solutions.
- Managed website revisions and updates while meeting project deadlines and service level agreements (SLAs).

Web Designer Sep 2015 - Aug 2017

Avantice Corporation - Makati City

- Designed and conceptualized promotional banners and marketing materials aligned with campaign objectives and brand guidelines.
- Created wireframes, mockups, and user interface designs for mobile application projects.
- Designed and developed responsive landing pages using HTML, CSS, and Bootstrap.
- Managed website content, uploads, backups, and maintenance activities.
- Led a team of 4-5 designers by delegating tasks, monitoring progress, and ensuring timely project delivery.

Graphics Designer Sep 2014 - Sep 2015

South Asialink Finance Corporation - Ortigas City

- Designed marketing and promotional materials including flyers, calling cards, social media graphics, tarpaulins, posters, and event collateral.
- Produced visual assets for company events, campaigns, and branding initiatives, including t-shirts, photo booth layouts, and calendars.
- Assisted in maintaining the company website by updating content, promotional banners, and marketing materials.

Design Auditor Jan 2013 - Mar 2014

AGR Operations Manila Inc. - Alabang, Muntinlupa City

- Supervised and evaluated the work of 3–5 web artists to ensure quality, consistency, and adherence to project requirements.
- Reviewed and approved design submissions based on brand guidelines, quality standards, and client specifications.
- Monitored team productivity, performance, and daily deliverables to support operational goals.
- Provided feedback and coaching to improve design quality, efficiency, and overall team performance.
- Contributed to process improvements and workflow optimization initiatives.
